Subject: Depreciation schedule

Brent

I am working with Melissa Melton with RCAP and she is working on a general rate case for PSC. She has requested a depreciation schedule in a straight line method. I don't have what she needs, can you assist me and her with this?

The City of T-ville is in the process of increasing our wholesale rate, therefore we will be doing a pass through too.

Thanks

In 2008, the District purchased approximately 40,000 of new transportation assets with none purchased in the current year. When this amount is taken into consideration, the fixed asset additions are reasonable comparable to prior years considering that additional line additions were made in 09 as compared to 08.
