Jeff Derouen, Executive Director  
Public Service Commission  
211 Sower Blvd.  
Frankfort, Kentucky 40601

RE: Case No. 2010-00453

Mr. Derouen:

After much consideration with Public Service Commission staff, the Monroe County Water District has decided to withdraw the current application for a general rate increase. Also it is our request for the Public Service Commission staff to assist Monroe County Water District with a new application using the 2009 operational test period. If you have any questions, please contact our General Manager Richard O. Ross or myself at 270-487-8131.

Sincerely,

Mark Williams  
Chairman  
Monroe County Water District
