PUBLIC SERVICE
COMMISSION

MOTION FOR EXTENSION OF TIME

Water Service Corporation of Kentucky (WSCK), by counsel, moves for additional time to file its responses to the Commission's Initial Data request. Due to limited staff and weather disruptions in the Chicago area, where the company's headquarters is located, responses cannot be completed by the due date of February 11th. Consequently, the Applicant requests that it be allowed up to and including February 16th to file the responses. If the responses can be filed sooner, they will be.

For these reasons, WSCK requests an extension until Wednesday February 16th to file its responses.
