RE: Case No. 2010-00483

Dear Mr. Derouen:

Due to recent information that we received, BSWD would like to revise Case #2010-00483. The City of Kenova has removed the .10 cent per thousand surcharge due to arrearage owed to Municipal Bond Commission being satisfied. As you can see from Exhibit A, we changed from \$1.79 and .10 cent per thousand surcharge to \$1.79 per thousand. The resulting changes between Case #2010-00483 and this information create a decrease in the purchase water adjustment of .05 cents per thousand. Our total expenses and revenue have been furnished to PSC in our annual report. Enclosed are the original and ten copies of the applications, exhibits, and new tariff sheets. If you have any questions, please (606) 928-2075.

Sincerely,

Teresa Brown  
Office Manager

In Case No. 08-1334-W-MA, the following surcharge was approved to eliminate the City of
