1. Refer to Item 16 of the Data Request issued with the Commission's January 26, 2011 Order ("Commission's First Request") which states as follows:

Provide a schedule of the present and proposed rates that Duke Kentucky seeks to change pursuant to 807 KAR 5:056, shown in comparative form.

In Duke Kentucky's February 14, 2011 response, the present and proposed rates for each lamp in each lighting class were not included. Provide the present and proposed rates for each lamp listed in lighting schedule SL, OL, NSU, NSP, SC, and SE, or provide a detailed explanation of why the rates for each lamp in those lighting schedules will not change to reflect a change in the fuel component of base rates.

Duke Kentucky did not show by cross-outs and italicized inserts the changes to each rate for each lamp within each lighting class. Provide the requested information for each lamp listed in lighting schedule SL, OL, NSU, NSP, SC, and SE, or provide a

detailed explanation of why the rates for each lamp in those lighting schedules will not change to reflect a change in the fuel component of base rates.
