THIRD INFORMATION REQUEST OF COMMISSION STAFF
TO NOLIN RURAL ELECTRIC COOPERATIVE CORPORATION

Pursuant to 807 KAR 5:001, Nolin Rural Electric Cooperative Corporation ("Nolin") is to file with the Commission the original and five copies of the following information, with a copy to all parties of record. The information requested herein is due within 10 days of the date of this request. Responses to requests for information shall be appropriately bound, tabbed, and indexed. Each response shall include the name of the witness responsible for responding to the questions related to the information provided.

Each response shall be answered under oath or, for representatives of a public or private corporation or a partnership or association or a governmental agency, be accompanied by a signed certification of the preparer or person supervising the preparation of the response on behalf of the entity that the response is true and accurate to the best of that person's knowledge, information, and belief formed after a reasonable inquiry.

Nolin shall make timely amendment to any prior response if it obtains information which indicates that the response was incorrect when made or, though correct when

made, is now incorrect in any material respect. For any request to which Nolin fails or refuses to furnish all or part of the requested information, Nolin shall provide a written explanation of the specific grounds for its failure to completely and precisely respond.

Careful attention should be given to copied material to ensure that it is legible. When the requested information has been previously provided in this proceeding in the requested format, reference may be made to the specific location of that information in responding to this request. When applicable, the requested information shall be separately provided for total company operations and jurisdictional operations.

1. Refer to Nolin's response to Item 3 of Commission Staff's Second Information Request ("Staff's Second Request"). Related to the projects for which construction has begun, provide a detailed summary of the construction by individual project, including but not limited to, a description of the projects and total costs spent to date.

2. Refer to the response to Item 8.f. of Staff's Second Request in which Nolin states that it rejected the Department of Energy grant, ". . . because the cost outweighed the benefits." Provide the detailed calculations supporting this statement.

3. Nolin is proposing a prepay meter program in Case No. 2011-00141 which includes the purchase of 300 meters.¹ State whether the 300 meters needed for the prepay meter program are included in the 2,250 meters to be purchased as set out in Nolin's 2011-2013 Construction Work Plan.

¹ Case No. 2011-00141, Application of Nolin Rural Electric Cooperative Corporation for Approval of a Prepay Metering Pilot Program Tariff, response to Item 3 of Commission Staff's Initial Information Request.
