

COMMONWEALTH OF KENTUCKY
BEFORE THE PUBLIC SERVICE COMMISSION

In the Matter of:

APPLICATION OF KENERGY CORP. FOR) CASE NO.
AN ADJUSTMENT IN EXISTING RATES) 2011-00035

ORDER

On January 29, 2013, the Commission authorized Kenergy Corp. ("Kenergy") to pass-through a \$19,613,984 increase from its wholesale supplier, Big Rivers Electric Corporation.¹ The Appendix attached to that Order inadvertently omitted Schedule 23, Renewable Resource Energy Service Rider.

The Commission finds that Schedule 23 should have been included in the Appendix to the January 29, 2013 Order for direct-served customers (excluding Class A). The Commission further finds that, on February 1, 2013, Kenergy filed revised tariff sheets setting out rates approved in the January 29, 2013 Order which included a revised Schedule 23.

IT IS THEREFORE ORDERED, *nunc pro tunc*, that:

1. The Appendix to the January 29, 2013 Order is amended to reflect a renewable resource energy rider per kWh of \$.030492 for Schedule 23 for direct-served customers (excluding Class A).

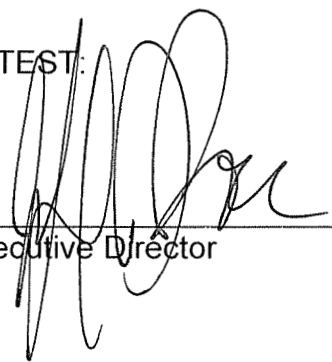

2. All other provisions of the January 29, 2013 Order shall remain in full force and effect.

¹ Case No. 2011-00036, Application of Big Rivers Electric Corporation for a General Adjustment in Rates (Ky. PSC Jan. 29, 2013).

By the Commission
