CRIT LUALLEN AUDITOR OF PUBLIC ACCOUNTS The Honorable Gary Moore, Boone County Judge/Executive Honorable Rona Ping, Former Boone County Clerk Honorable Kenny Brown, Boone County Clerk Members of the Boone County Fiscal Court Independent Auditor's Report We have audited the accompanying statement of revenues and expenditures - regulatory basis of the former County Clerk of Boone County, Kentucky, and the statement of revenues, expenditures, and fund balances of the former County Clerk's operating fund and county fund with the State Treasurer - regulatory basis for the year ended December 31, 2010. These financial statements are the responsibility of the former County Clerk. Our responsibility is to express an opinion on these financial statements based on our audit. We conducted our audit in accordance with auditing standards generally accepted in the United States of America, the standards applicable to financial audits contained in Government Auditing Standards issued by the Comptroller General of the United States, and the Audit Guide for County Fee Officials issued by the Auditor of Public Accounts, Commonwealth of Kentucky. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe that our audit provides a reasonable basis for our opinion. As described in Note 1, the County Clerk prepares the financial statements on a regulatory basis of accounting that demonstrates compliance with the laws of Kentucky which is a comprehensive basis of accounting other than accounting principles generally accepted in the United States of America. In our opinion, the accompanying financial statements referred to above presents fairly, in all material respects, the revenues, expenditures, and fund balances of the former County Clerk's operating fund and county fund with the State Treasurer for the year ended December 31, 2010, in conformity with the regulatory basis of accounting described in Note 1. In accordance with Government Auditing Standards, we have also issued our report dated August 31, 2011 on our consideration of the former County Clerk's internal control over financial reporting and on our tests of its compliance with certain provisions of laws, regulations, contracts and grant agreements, and other matters. The purpose of that report is to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on the internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with Government Auditing Standards and should be considered in assessing the results of our audit. This report is intended solely for the information and use of the County Clerk and Fiscal Court of Boone County, Kentucky, and the Commonwealth of Kentucky and is not intended to be used and should not be used by anyone other than these specified parties. Respectfully submitted Crit Luallen Auditor of Public Accounts August 31, 2011 State law requires the Auditor of Public Accounts to annually audit fiscal courts, county clerks, and sheriffs; and print the results in a newspaper having general circulation in the county. Volunteer skills for medical corps

The Northern Kentucky Medical Reserve Corps provides citizens of both medical and non-medical backgrounds with a way to help their communities during a public health emergency.

Anyone interested in joining the Medical Reserve Corps is invited to attend an orientation session from 6-8 p.m. Thursday, Oct. 20, at the Health Department's District Office, 610 Medical Village Drive, Edgewood.

A light meal will be provided.

The Northern Kentucky Medical Reserve Corps is a

branch of the federal government's Medical Reserve Corps program, and its goal is to provide a volunteer pool for the Northern Kentucky region that can enhance and support public health agencies and the health care infrastructure during a crisis.

Volunteers would be asked to serve in their own community; but may also choose to volunteer for the Tristate region or for communities in need around Kentucky.

Volunteers will be offered trainings throughout the year that will support per-

sonal preparedness and basic disaster response skills, as well as developing specialized skills needed for a public health emergency response.

Anyone age 18 or older is eligible, and people with both medical and non-medical training are encouraged to join.

For more information about the Medical Reserve Corps or to register for the orientation, contact Jean Caudill at 859-363-2009 or Jean.Caudill@nkyhealth.org, or visit <http://www.nkyhealth.org/mrc>.
