RE: Case No. 2011-00038

Dear Mr. Mercer:

On January 30, 2012 Meade County Rural Electric Cooperative Corporation ("Meade County") filed a report with the Commission regarding its efforts to refund monies collected in excess of the rates that were approved in Case No. 2011-00038. To properly review your report, Commission Staff requests that Meade County provide the following supplemental information:

1. The amount of customer charge billing determinants, kWh, and kW billed by Meade County during the refund period by rate class. This information was not included in the filing.
2. For Exhibit 1, page 1 of 1, provide an explanation of how the amounts in the last two columns are calculated. Those columns are titled "Cycle 3 & 4 billed 10/10 Prorated Differential" and "Cycle 1 & 2 billed 9/30 Prorated Differential". Meade County should include a discussion of why, for the "Cycle 1 & 2 billed 9/30 Prorated Differential" column, the calculation of the amounts for the four Schedule 3 rate classes appears to differ from the calculation of the amounts for the other classes.

Please provide the requested information within 10 days of the date of this letter. If you have any questions regarding this letter, please contact Chris Whelan of the Commission Staff at (502) 564-3940.

Very truly yours,

Jeff DeRouen
Executive Director
