Re: PSC Case Number 2011-00039  
*In the Matter of: An Adjustment of Rates of South Shore Water Works Co.*

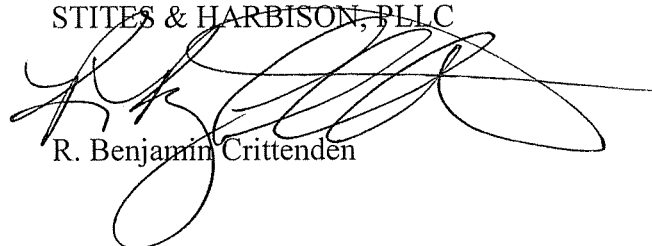

Dear Mr. Derouen:

South Shore Water Works Co. filed an application for an adjustment of its rates with the Commission on February 3, 2011. The application included all of the information and documentation required by the applicable statutes and regulations. On February 8, 2011, South Shore received confirmation from the Commission Staff that the minimum filing requirements had been satisfied. However, it has come to South Shore's attention that it inadvertently included an unsigned revised tariff sheet in the materials filed with the Commission. Enclosed with this letter, please find and accept for filing the signed tariff sheet with an effective date that is at least thirty (30) days from the date of this filing.

If you have any questions concerning this response and filing, please do not hesitate to contact me at (502) 209-1216 or [bcrittenden@stites.com](mailto:bcrittenden@stites.com).

Sincerely,

STITES & HARBISON, PLLC
