Case No. 2010-00064

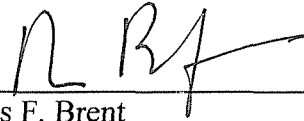

**EXPRESS PHONE SERVICE, INC.’S MOTION FOR EXTENSION OF TIME**

Express Phone Service, Inc. (“Applicant”), by its counsel, hereby requests a thirty day extension of time to file its responses to the 39 information requests submitted by the Commission staff on April 27, 2011. As grounds for this motion, Applicant’s counsel states that the Applicant is involved in a contested proceeding before the Florida Public Service Commission that will require significant attention prior to June 14, 2011, and may affect Applicant’s plans to obtain ETC certification in Kentucky. Staff data request No. 39 refers specifically to the proceeding and asks for orders of the Florida PSC. Presumably, staff seeks any dispositive order that may be relevant to the Kentucky proceeding. At a minimum, a thirty day extension will enable Applicant to file a thorough response to this request.

As this is an uncontested application with no intervenors, an extension will not harm the interests of anyone. Accordingly, Applicant requests a thirty day extension in which to respond to the information requests from the Commission staff.

Respectfully submitted,
