O R D E R

This matter is before the Commission upon the motion of the Menifee County Board of Education (“Menifee County”) for an extension of ten days to finalize and sign its discovery responses to Commission Staff’s Second Request for Information. In support of its motion, Menifee County states that the Superintendent has been out of town and unable to meet with counsel. Menifee County requests that it be allowed an additional ten days for filing its response.

On November 21, 2011, the Commission entered an Order granting Menifee County an extension until December 7, 2011 in which to file its responses.

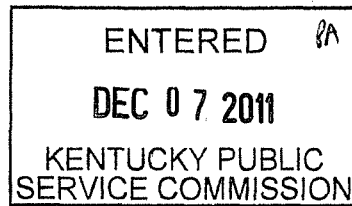

Having reviewed the motion and being otherwise sufficiently advised, the Commission finds that Menifee County has established good cause to allow it an extension of time to file its response to Commission Staff’s Second Request for Information.

IT IS THEREFORE ORDERED that:

1. Menifee County's motion for an extension of time to file its response to Commission Staff's Second Request for Information is granted.

2. Menifee County shall file its response to Commission Staff's Second Request for Information no later than December 19, 2011.
