V.

CASE NO. 2011-00076

CLARK ENERGY COOPERATIVE, INC.

DEFENDANT

**MOTION FOR EXTENSION OF TIME**

COMES THE COMPLAINANT, MENIFEE COUNTY BOARD OF EDUCATION (HEREINAFTER THE "BOARD"), by counsel, and hereby moves the Commission for a thirty (30) day extension to file the Board's verified direct testimony, originally due on March 18, 2013 pursuant to the Procedural Schedule entered on February 19, 2013. In support of said Motion, the Board states as follows: Since entering an appearance in this case, the Board's new attorney and Clark Energy's attorney have begun renewed settlement negotiations. Recently, Clark Energy has sent the Board a settlement offer which the Board would like to consider. Given recent snow days in the district, as well as the recentness of the settlement offer, the Board has not had a chance to properly convene and consider the settlement offer. The Board requests a thirty (30) day extension in order to call a special meeting and consider the Defendant's settlement offer.

Respectfully submitted,
