RECEIVED

PUBLIC SERVICE
COMMISSION

In the Matter of:

APPLICATION OF ELKHORN WATER DISTRICT) CASE NO.
FOR ALTERNATIVE RATE ADJUSTMENT) 2011-00083

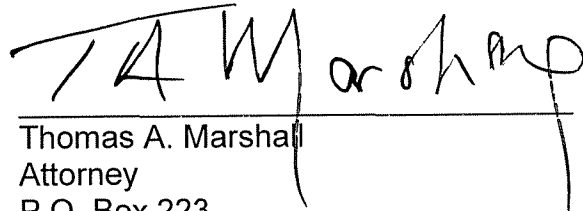

MOTION FOR EXTENSION OF TIME

Elkhorn Water District ("District"), by counsel, hereby moves the Kentucky Public Service Commission ("Commission") for an extension of time to respond to the Commission's Order dated October 20, 2011, including Staff Report attached thereto, in Case No. 2011-00083, as styled above.

Specifically, it is hereby requested that an extension of ten (10) additional days be granted for the District to respond. This extension of time is necessary so that the District can adequately evaluate the Staff Report, gather information, prepare any written comments or objections in regards to Staff's findings and recommendations, and decide whether to request an informal conference or hearing. The additional time will also allow the Commissioners for the District to consult with counsel and staff, to become more informed and to adequately consider any recommendations and options. Without additional time, it will be difficult for the District to comply with the Commission's directive to conduct a careful examination of the Report and to respond based on that review.

Accordingly, the District most respectfully restates its request that it be granted an additional ten (10) days to file a response to the Commission's Order and the Staff Report.

Respectfully submitted,

A handwritten signature in black ink that reads "T A Marshall". The signature is written in a cursive, somewhat stylized font. The letters "T", "A", and "M" are large and prominent, while "arshall" is written in a smaller, more fluid script. A horizontal line is drawn across the signature, starting from the left edge of the signature and extending to the right edge of the signature.
