Updated Response to Commission Staff's Data Requests dated March 22, 2011

June 13, 2011

1 **Item 2)** *For each of the three Member Cooperatives, prepare a summary*
2 *schedule showing the Member Cooperative's pass-through revenue requirement for the*
3 *months corresponding with the six-month review. Include the two months subsequent*
4 *to the billing period included in the review periods. Include a calculation of any*
5 *additional over- or under-recovery amount the Member Cooperative believes needs to*
6 *be recognized for the six-month review. Include all supporting calculations and*
7 *documentation for the additional over- or under-recovery.*

8
9 **Response)** The attached schedules provided with Big Rivers' filing of April 19, 2011,
10 have been updated to reflect information received subsequent to April 19. As in the April
11 19 filing, these two schedules, one for non-dedicated delivery points and one for
12 dedicated delivery points, reflect Big Rivers' distribution cooperative members'
13 environmental surcharge pass-through for the months corresponding to Big Rivers' six
14 expense months of June 2010 through November 2010, service months of July 2010
15 through December 2010, which Big Rivers billed to its members August 2010 through
16 January 2011. There is no billing lag for dedicated delivery point customers.

17
18 As requested by the Commission, the attached schedules include the members' two
19 billing months immediately following the six-month Big Rivers' billing period under
20 review. The information on the attached schedules was provided by Big Rivers'
21 Members. These updated schedules include April information for Kenergy's and JPEC's
22 non-dedicated delivery point customers, and Kenergy's March information for its non-
23 dedicated delivery point customers. Other than the on-going cumulative over/under
24 recovery mechanism, no additional over/under recovery amount is requested.
