**RE: Application of Louisville Gas and Electric Company and Kentucky Utilities
Company to Modify and Rename The Brownfield Development Rider as the
Economic Development Rider**
Case No. 2011-00103

Dear Mr. DeRouen:

The only intervenor in the above-styled proceeding, the Office of the Attorney General (“AG”), has authorized me to represent to you that the AG does not intend to file testimony in this proceeding. Furthermore, the AG has authorized me to represent that the AG does not object to submitting this case for decision on the current record. For those reasons, the Companies respectfully submit the case for the Commission’s decision on the record. The Companies further respectfully ask the Commission to issue a final order expeditiously because there is at least one potential customer that has expressed interest in taking service under the proposed tariff.

Sincerely,

W. Duncan Crosby III
