**Case No. 2011-00104**

Dear Mr. Derouen:

We are in receipt of your correspondence dated March 28, 2011 concerning the above referenced case. Firstly, concerning the 30 days notice to PSC and North Manchester Water Association (NMWA) we believe the appropriate 30-day notice was given. Notices to both entities went out certified mail on February 25<sup>th</sup> and our records indicate that both entities received the notices on February 28<sup>th</sup>. The PSC receipt was acknowledged in your order. Therefore we request that the increase be allowed to go forward while this investigation is in process. Secondly we do request a time extension as two weeks is not nearly enough time to compile the data requested and Appendix B and our 2010 audit is not complete at this time.

Please feel free to contact me with any questions.

Sincerely,  
**CITY OF MANCHESTER**
