RE: Formal Application to Increase Rates Pursuant to  
Purchased Water Adjustment Regulation 807 KAR 5:068

Dear Mr. Derouen

2011-00113

The North Shelby Water Company respectfully requests that the Commission allow for an adjustment to our rates in accordance with 807 KAR 5:068 Purchased Water Adjustment clause.

The Company was recently notified by its supplier, Shelbyville Municipal Water & Sewer Commission, that a \$0.065 per 1000 gallon increase will take effect April 1, 2011. Another supplier, Frankfort Electric & Water Plant Board also notified the Company that it plans to implement a \$0.106 per 1000 gallon increase effective April 1, 2011. The combined result of these increases is \$19,017.80 in additional supply cost for the Company. This translates into \$0.05 per 1000 gallons of water sold to our customers. Therefore, we propose to increase our rates by that amount.

The following supporting documentation is enclosed for your review:

- Exhibit A – Purchase Water Rate Adjustment
- Exhibit B – Copy of Wholesale Tariffs
- Exhibit C – Statement of Water Purchased
- Exhibit D – Statement of Water Sold
- Exhibit E – Notice to Customers
- Exhibit F – Revised Tariff Sheet

The Notice to Customers will be published in accordance with Commission regulations and verification of its publication will be provided to the Commission.

Should you have any questions please contact David Bowles at (502) 839-1310, as he is handling this matter.

Sincerely,

Jerry Ruble, President
