Subject: Case No. 2011-00128: Northern Kentucky Water District
Importance: High

Mr. Hughes:

During its review of the record of Case No. 2011-00128, Commission Staff has discovered that NKWD has failed to provide two items that it represented in its application would be supplied to the Commission. First, a copy of the resolution of the NKWD Board of Commissioners approving the bid of Smith Contractors, Inc. Secondly, the bid tabulation sheet is missing the first page, which apparently contains the bid of Smith Contractors, Inc. Commission Staff requests that these documents be submitted as soon as to possible to prevent any further delay in final action being taken on NKWD's application. If the utility wishes to submit the document through an electronic mail response to this message, Commission Staff will take the necessary steps to ensure the documents are placed in the case record.

Sincerely,

Gerald E. Wuetcher
