RE: In the Matter of:
***Application of Easy Telephone Service Company d/b/a Easy Wireless For
Designation as an Eligible Telecommunications Carrier on a Wireless Basis
(Low Income Only)***

Dear Mr. DeRouen:

The referenced application was filed on April 14, 2011. A table on page thirteen of the application included incorrect pricing information. We contacted the filings branch by telephone to explain the error. The staff agreed to accept substitute pages in lieu of a replacement petition. Accordingly, we are filing replacement copies of page 13 of the petition. Please substitute these pages within Easy Telephone Service Company's Application for Designation as an Eligible Telecommunications Carrier.

Please place your file stamp on the extra copy and return to me via our runner.

If you have any questions concerning this filing, please do not hesitate to contact me. Thank you very much for your attention to this matter.

Sincerely yours,

Douglas F. Brent
