MOTION FOR EXTENSION OF TIME

Easy Telephone Service Company (“Applicant”), by counsel, hereby requests an extension of time to file its responses to the thirty six information requests submitted by the Commission staff that were due on July 29, 2011. As grounds for this motion, Applicant states that shortly before responses were due it discovered minor typographical errors in two of the information requests and contacted staff to clear any discrepancy. Further, additional time was needed to secure documents responsive to one request. As a result, these responses are being filed several days after the due date set by the Commission. However, as this proceeding involves only the Applicant, with no intervenors, a brief extension will prejudice no one. Applicant’s responses accompany this motion.
