Re: BellSouth Telecommunications, Inc. d/b/a AT&T Kentucky and AT&T Southeast  
(Investigation – Service)  
Notice of Intent to Disconnect American Fiber Network, Inc. for Non-Payment  
Case No. 2011-00144

Dear Mr. Derouen:

This letter responds to the Commission's Order dated May 6, 2011, in which the Commission ordered American Fiber Network, Inc., to notify the Commission by May 13, 2011, of its intent to either pay the delinquent bill to BellSouth Telecommunications, Inc., d/b/a AT&T Kentucky within 10 days or to notify its customers of the proposed service disconnection. To date, American Fiber has not filed anything with the Commission regarding AT&T Kentucky's notice of intent to disconnect dated April 20, and filed with the Commission on April 22, 2011.

As of this date, American Fiber has made no payment to AT&T Kentucky for the delinquent bill. As indicated in AT&T Kentucky's notice of intent to disconnect, American Fiber has no customers in Kentucky. Based on this information and American Fiber's lack of payment, AT&T Kentucky will, effective May 16, 2011, disconnect American Fiber's services. Because American Fiber has no customers in Kentucky, there is no need for AT&T Kentucky to implement the procedures established in its Emergency Service Continuity Tariff.

If you have any questions, please let me know.

Very truly yours,

Mary K. Keyer
