RECEIVED

JUN 30 2011

PUBLIC SERVICE
COMMISSION

Dear Sirs:

On behalf of the Member Local Unions of the Central Kentucky Building and Construction Trades Council I am corresponding with you today to request to intervene in Case No. 2011-00161. The grounds for this request is that the Central Kentucky Building & Construction Trades Council represents more than 20 Construction Trades Unions and more than 3,000 men and women of these Local Unions, many of whom are rate payers to Kentucky Utilities. Our interest in this procedure is to support the proposed rate increase and the desire to see that Kentucky Employers and Kentucky Workers are utilized in the process of developing the projects which are to be constructed if and when the Kentucky Public Service Commission decides to approve the requested rate increase. If you have any questions of me regarding this request to intervene you may contact me at 502-839-1252.

Sincerely,

Robert Akin
