Re: Louisville Gas and Electric Company, Case No. 2011-00162

Dear Sirs\Madams:

On June 15, 2011, a Motion to Intervene was filed by the Metropolitan Housing Coalition ("MHC") in the above referenced case. MHC is represented by an attorney employed by the Kentucky Resources Council, Inc. ("KRC").

One of the members of the Commission's legal staff assigned to work on this case is Richard Raff, Assistant General Counsel. Mr. Raff's spouse is an accountant and she has been employed for many years by KRC as office manager. Her duties consist of all administrative functions, including accounting, payroll, and taxes, as well as ministerial office functions. She is not involved in the decisions as to the clients that will be represented by KRC, or the issues or causes to be advocated by KRC. Mr. Raff's spouse works varied hours and is compensated at a set hourly rate that is not tied to, and does not vary with, the number of clients represented by KRC, the types of issues promoted by KRC, or the success of KRC's advocacy.

If any of the parties to this case wish to comment on, or object to, Mr. Raff's continued participation as a staff member in this case, please do so in writing within ten days from the date of this letter.

Sincerely,

A handwritten signature in cursive script that reads "Stephanie Bell for Jeff Derouen".
