INTRA-AGENCY MEMORANDUM

KENTUCKY PUBLIC SERVICE COMMISSION

TO: Main Case File 2011-00199

FROM: J.E.B. Pinney, Staff Attorney

DATE: February 18, 2013

SUBJECT: Case No. 2011-00199

Ballard Rural Telephone Cooperative Corporation, Inc. et al. v. BellSouth Telecommunications, LLC d/b/a AT&T Kentucky and BellSouth Telecommunications, LLC d/b/a AT&T Kentucky v. Halo Wireless

On February 15, 2013, representatives from numerous rural local exchange carriers ("RLECs"), Bluegrass Telephone and BellSouth Telecommunications, LLC d/b/a AT&T Kentucky ("AT&T Kentucky") participated in an informal telephonic conference. The primary purpose of the conference was to discuss the establishment of a procedural schedule. A list of the participants is attached.

Commission Staff recommended that the parties confer and submit a joint procedural schedule to the Commission. Counsel for the RLECs stated that because the issues were primarily legal in nature, that any procedural schedule should have a few short rounds of discovery, followed by a formal hearing. Counsel for AT&T Kentucky suggested that before the parties submitted a procedural schedule, the parties should confer and determine what traffic was at issue, and what type of traffic did not need to be addressed in this proceeding.

Following additional discussion, Commission Staff suggested that the parties confer between themselves and then file a status report updating the Commission with regard to the discussion about the types of traffic. The parties agreed upon March 28, 2013 as the date upon which to file the status report.

There being no further discussions, the informal conference was adjourned.
