In the Matter of:

APPLICATION OF OAKWOOD SEWAGE)
COMPANY FOR AN ORDER APPROVING A) CASE NO. 2011-00206
TRANSFER OF OWNERSHIP AND CONTROL)

ORDER

On June 14, 2011, Robert E. Offutt, doing business as Oakwood Sewage Company, applied for Commission approval to transfer control and ownership of its sewage collection and treatment facilities to the city of Madisonville, Kentucky.

KRS 278.020(6) requires the Commission to reach a final decision on the proposed acquisition within 60 days of the filing of the application unless it is necessary, for good cause shown, to continue the application. If good cause for an extension exists, the Commission may extend the review period for an additional 60 days.

The Commission has carefully reviewed the record in this proceeding and finds that it will need additional information before it can render a final decision in this matter. Therefore, pursuant to KRS 278.020, the Commission concludes that good cause exists to extend the review period to 120 days.

The Commission, having been sufficiently advised, HEREBY ORDERS that the period for reviewing the proposed transfer is extended to 120 days.
