COMPANY TO REMOVE ITS RATE FOR

CASE NO. 2011-00239

MOTION FOR EXTENSION OF TIME

Comes North Shelby Water Company ("North Shelby"), by counsel, and respectfully requests an extension of time through and including October 25, 2011 to file its response to the Commission Staff's First Request for Information to North Shelby Water Company. In support of this motion, North Shelby states that due to several unexpected system problems, including a major line break, its manager was unable to meet with its attorney as planned during the week of September 26, 2011, prior to its attorney being out of the office on vacation from September 30, 2011 through October 9, 2011. Accordingly, North Shelby will not be able to timely file its response by the October 12, 2011 deadline. Due to its attorney's heavy post-vacation schedule, North Shelby respectfully requests an extension of time through and including October 25, 2011 to file its response.

Respectfully submitted,

Mathis, Riggs & Prather, P.S.C.
