This Commission is required to "encourage and promote the offering of high quality water district management training programs that enhance a water district commissioner's understanding of his or her responsibilities and duties."¹ Having reviewed KRWA's application, the Commission finds that the instruction in question would enhance a water district commissioner's understanding of his or her responsibilities and duties and should be accredited for 2.0 hours of water district management training.

IT IS THEREFORE ORDERED that:

1. KRWA's instruction at its regional meeting on July 19, 2011 in Morehead, Kentucky is accredited and approved for a maximum of 2.0 credit hours of water district management training.

¹ KRS 74.020(7).
