RE: Staff Report: Case No. 2011 – 00272

Dear Mr. Derouen:

The District's management has reviewed the findings and recommendations within the Commission's Staff Report dated November 3, 2011. The Monroe County Water District agrees with the documentation within the Report and requests no changes. Therefore, MCWD sees no need for a formal hearing and requests a waiver of a hearing unless another party of record specifically requests one. Please advise us when our new rates can go into effect. Thank you.

Sincerely,

Mark Williams
Chairman
