PUBLIC NOTICE

Kentucky Power Company (KPCo) gives notice that it proposes to file with the Public Service Commission of Kentucky an application seeking a Certificate of Public Convenience and Necessity authorizing it to construct in Knott and Perry counties in Kentucky a 138 kV electric transmission line approximately 20 miles in length. The proposed line will connect KPCo's existing 69 kV Bonnyman Substation, located in Perry County, KY and KPCo's existing 138 kV Soft Shell Substation located in Knott County, KY. In addition the application seeks authority to construct associated facilities. The associated facilities will include an expansion of the existing Bonnyman Substation (including the installation of a new 138kV/69kV transformer) in Perry County, KY, and the installation of capacitor banks at the existing Haddix Substation, in Breathitt County, KY and Beckham Substation in Knott County, KY. The proceeding has been assigned Case No. 2011-00295. After it is filed, the project application can be reviewed at the Knott County Library or the Perry County Library and will also be available for review on-line at the Kentucky Power website: www.kentuckypower.com/go/bonnyman. A map showing the proposed route of the line is displayed below.

Interested parties have a right to intervene in these proceedings and to request a local public hearing. Should you have any questions concerning this case, please contact Mr Jeff R. Derouen, Executive Director of the Kentucky Public Service Commission, P.O. Box 615, 211 Sower Boulevard, Frankfort, KY 40602-0615, or call 502/564-3940. Questions concerning the project may also be directed to Lila P. Munsey, Manager of Regulatory Services, Kentucky Power Company, 101A Enterprise Dr., P.O. Box 5190, Frankfort, KY 40602-5190, or call 502/696-7010.
