Status Report

Following the January 4, 2012 meeting at the Public Service Commission with Mr. Jett, a representative of Kentucky Power Company met with Mr. Jett at the subject property. The parties discussed the location of the line and the price at which Mr. Jett offered to convey the proposed right-of-way.

The Kentucky Power representative repeated the Company's prior request that Mr. Jett obtain an appraisal of the right-of-way for the comparison with the Company's appraisal. The Company expects to receive its appraisal the week of January 23, 2012.

The Kentucky Power representative indicated the Company would respond to Mr. Jett's demand for the right-of-way purchase.

Respectfully submitted,
