RE: Conference Call of September 30, 2013

On September 30, 2013, Commission Staff conducted a conference call in this matter to discuss the current status of negotiations between the parties. Participating in the conference call were:

Robert C. Moore	-	Forest Creek LLC
Bruce Smith	-	Jessamine-South Elkhorn Water District
Gerald Wuetcher	-	Commission Staff

Beginning the conference call, Mr. Wuetcher also stated that Commission Staff would prepare minutes of the conference call for the case record, that a copy of the minutes would be provided to all parties, and that all parties would be given an opportunity to submit written comments upon those minutes.

Mr. Moore and Mr. Smith then discussed the status of negotiations between the parties. Mr. Moore indicated that the parties were still in negotiations, that proposals had been exchanged, and that an agreement, if one is to be reached, should be reached within the next 30 to 45 days. The conference participants agreed that a conference call should be scheduled for November 14, 2013. They further agreed that, no conference call should be held if the parties have filed a settlement agreement with the Commission

The conference call then concluded.
