INTRA-AGENCY MEMORANDUM

KENTUCKY PUBLIC SERVICE COMMISSION

TO: Case File No. 2011-00297

FROM: Ann Ramser *AR*
Staff Attorney

DATE: May 23, 2014

RE: Forest Creek, LLC v. Jessamine-South Elkhorn Water District

Pursuant to the Commission Staff's Notice of May 20, 2014, an informal conference was held in Case No. 2011-00297 on May 22, 2014. A copy of the attendance roster is attached.

Ms. Ramser began the informal conference by explaining that the purpose of the conference was to determine if the parties had entered into a settlement agreement.

Mr. Moore indicated that he contacted his client approximately 30 minutes prior to the meeting. Forest Creek, LLC is inclined to take the settlement offer but is not ready to sign the settlement agreement. Forest Creek, LLC has not ruled out the settlement and is aware of the risk that the utility may decide to withdraw the settlement offer.

Mr. Moore requested that we give his client until June 2, 2014 to make a decision regarding the settlement offer. Mr. Smith agreed to the delay.

Jessamine-South Elkhorn Water District filed a motion to dismiss or alternatively to suspend the proceedings and supplement the record on April 25, 2012. The case has been held in abeyance while Forest Creek, LLC considered a settlement offer. If Forest Creek, LLC does not accept the settlement offer by June 2, 2014, a procedural schedule will be issued. The procedure schedule will allow three weeks for the parties to brief any pending motions or file new motions, one week to respond to the pleadings, and one week to reply to the response.

There being no further discussion, the conference was adjourned.
