NOTICE RE: JUNE 16, 2014 ORDER

On June 16, 2014, The Commission issued a procedural Order (“Order”) permitting the parties to file supplemental briefs on a Motion filed by Defendant Jessamine-South Elkhorn Water District (“JSEWD”) on April 25, 2012, and which has been pending since that date. Although JSEWD had anticipated filing a supplement to its prior Motion, it has now determined that no supplementation is necessary. Additionally, staff counsel has advised JSEWD’s counsel that the Order does not require JSEWD to supplement that specific pending Motion.

In accordance with this guidance and its determination, JSEWD advises the Commission and the Complainant that it does not intend to supplement the pending Motion or the particular subject matter thereof.

By filing this Notice, and by not supplementing the pending Motion and the specific issue (communications with the Commission prior to the filing of the Motion) raised therein, the

District is not waiving any other issues, objections, defenses or remedies that it might otherwise raise as regards events which have occurred since the filing of the pending Motion as same may apply to further Commission proceedings (including the scope of such proceedings) on Forest Creek, LLC's Complaint.
