Re: Grayson Rural Electric Cooperative Corporation

Dear Mr. Callihan:

I have a copy of your letter that you caused to be mailed to the Cooperative purportedly executed by you and purportedly dated July 7, 2011. The letter is styled, "Request for Electric Service".

The Grayson Rural Electric Cooperative Corporation would be happy to extend electric service to your requested location, "3 ½ miles South of Greenbo Lake", assuming same is located within the territorial limits of Grayson Rural Electric Cooperative Corporation and assuming you have made an appropriate application with the Co-Op in accordance with the Co-Op's by-laws and PSC approved regulations. In addition you would need to pay the outstanding indebtedness owed to the Cooperative about which you have been informed on several prior occasions.

Upon compliance with all of the foregoing and other applicable rules and regulations of the Public Service Commission then the Cooperative will be able to act upon the matters set forth in your July 7, 2011, letter.

Yours truly,

  
W. Jeffrey Scott
