Dear Mr. Derouen:

2011-388

Enclosed is our request for farm tap rate change, you will find a rate calculation worksheet, that shows the average commodity price of gas and our gas cost per mcf.

Also enclosed is a schedule of average NYMEX prices for the past twelve months. A schedule of contracted services paid is included; this schedule represents our expense to operate Montgomery Creek Gas Company. Schedule 3 is total mcf. sold through the farm tap for the last two years. This schedule shows the number of customers and average mcf. used per month per customer.

You will find a Tariff attached that shows the amount we wish to charge, we left the effective date blank. The notice letter we sent to all of our customers on August 31, 2011 is also attached.
