**RE:** Telephone Informal Conference  
Case No. 2011-00388  
APPLICATION OF MONTGOMERY CREEK GAS COMPANY FOR FARM  
TAP RATE INCREASE

On January 9, 2012, Commission Staff conducted an informal conference by telephone to obtain clarification regarding the rate proposed to be charged by Montgomery Creek Gas Company in its farm tap rate application. The individuals who participated in the informal conference were Kevin Jacobs representing Montgomery Creek Gas Company and Leah Faulkner and Virginia Gregg of the Commission Staff. In spite of the fact that the company could support a higher rate, Mr. Jacobs confirmed that it was requesting a rate of \$5.00 as it had originally proposed in its application.

The conference then adjourned.
