

COMMONWEALTH OF KENTUCKY
BEFORE THE PUBLIC SERVICE COMMISSION

In the Matter of:

PURCHASED WATER ADJUSTMENT FILING OF) CASE NO. 2011-00406
BREATHITT COUNTY WATER DISTRICT)

ORDER

Breathitt County Water District ("Breathitt District") has made a written request to amend the effective date of the rates approved in our Order of November 1, 2011 from November 1, 2011 to November 14, 2011. In support of its request, Breathitt District states that the effective date of the proposed rates falls in the middle of its billing cycle and its billing system is not capable of applying two rate schedules during the same period. The Commission will consider this request as a motion to amend the Order of November 1, 2011.

Having carefully considered Breathitt District's motion, the Commission finds the effective date of the proposed rates should be amended to the later date. We note that KRS 278.015 and 807 KAR 5:068 afford water districts significant leeway in establishing the effective date of revised tariffs that are intended to pass through changes in the rates of a wholesale water supplier and that granting Breathitt District's motion is consistent with that discretion.

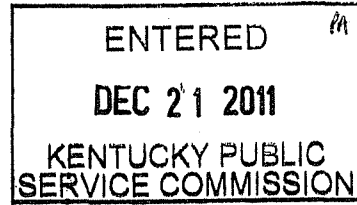

IT IS THEREFORE ORDERED that:

1. Breathitt District's motion to amend is granted.
2. Ordering paragraph 3 of the Commission's Order of November 1, 2011 is

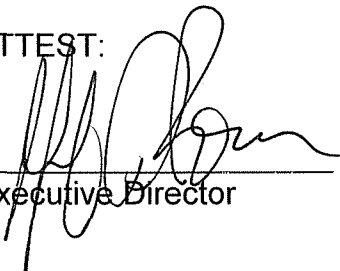

amended to read as follows:

The rates in Appendix B are approved for services on or after November 14, 2011.

By the Commission
