CASE NO. 2011-00419

**JOINT MOTION OF NORTHEAST WOODFORD**

**COUNTY WATER DISTRICT AND CITY OF VERSAILLES TO EXTEND DATE  
FOR FILING WRITTEN BRIEFS**

Now come the Northeast Woodford County Water District (the Water District) and the City of Versailles (Versailles), by counsel, and jointly move that the date for filing written briefs as set forth in the Commission's January 30, 2012 Order be extended from June 2, 2012 until June 25, 2012.

In support of this Motion the Water District and Versailles state, by counsel, that they are negotiating a potential settlement of this matter. The potential settlement would involve an amendment to the Water District's Water Supply Agreement with the Electric Water and Plant Board of the City of Frankfort, Kentucky (FEWPB). The Water District has initiated negotiations with FEWPB regarding such amendment. The Water District, Versailles and FEWPB are all public entities that can act only through properly convened public meetings. The requested extension is necessary in order to allow all public entities sufficient time to consider the potential settlement while also avoiding the expense of preparation of written briefs which would be unnecessary in the event a settlement is achieved.

Dated this the 24<sup>th</sup> day of May, 2012.
