

COMMONWEALTH OF KENTUCKY
BEFORE THE PUBLIC SERVICE COMMISSION

In the Matter of:

PROPOSED REVISION OF RULES)
REGARDING THE PROVISION OF)
WHOLESALE WATER SERVICE BY THE) CASE NO. 2011-00419
CITY OF VERSAILLES TO NORTHEAST)
WOODFORD WATER DISTRICT)

ORDER

The City of Versailles (“Versailles”) and Northeast Woodford Water District (collectively “Joint Applicants”) have moved for an extension of time until July 23, 2012 in which to submit written briefs in this matter. As the Commission has previously held¹ that the 10-month review period set forth in KRS 278.190(3)² applies to proceedings involving adjustments to contracts between municipal and public utilities and as Versailles’ proposed rule revision was filed with the Commission on September 23, 2011, the requested extension of time would result in the submission of briefs after the time available for Commission review has ended.

Accordingly, the Commission HEREBY ORDERS that:

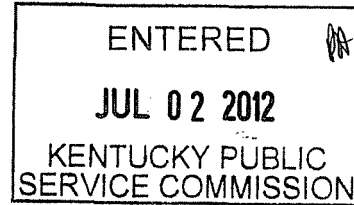

1. Joint Applicants’ motion is denied.

¹ See, e.g., Case No. 2006-00403, *Proposed Adjustment of the Wholesale Water Service Rates of the City of Falmouth* (June 27, 2007).

² At any hearing involving the rate or charge sought to be increased, the burden of proof to show that the increased rate or charge is just and reasonable shall be upon the utility, and the commission shall give to the hearing and decision of such questions preference over other questions pending before it and decide the same as speedily as possible, and in any event not later than ten (10) months after the filing of such schedules.

2. Each of the Joint Applicants shall file its brief in this matter no later than July 7, 2012.
