Re: Cases No. 2011-00414 and No. 2011-00426
Water Service Corporation of Kentucky

Ms. Potter and Gentlemen:

Commission Staff has arranged to test the water meters involved in the above-referenced cases.

On January 18, 2012, at about 12:30 p.m. local time, Water Service Corporation employees will remove the water meter currently serving Kountry Café in Clinton, Kentucky. Commission Staff will observe the meter's removal. Commission Staff will then transport that meter and the meter that served Moore's Chapel A.M.E. Church to the Commission's offices in Frankfort, Kentucky. Commission Staff will test both meters on January 19, 2012, beginning at 10:30 a.m. local time. Representatives of all parties may observe the testing.

Should you have any questions regarding the removal and transportation of the meters, please contact James Rice at (502) 226-0141 (cell).

Sincerely,
