ORDER

On September 25, 2012, Ben F. Gardner, Treasurer for the Salyersville First Baptist Church ("Petitioner"), requested authorization to intervene in this case. On December 13, 2012, the Commission granted Petitioner full intervention. In order to afford Petitioner the opportunity to request information from Kentucky Frontier Gas, LLC ("Frontier") and to file comments regarding Frontier's application, the Commission modified the procedural schedule adopted on September 19, 2012. The Commission also directed that Petitioner be represented by an attorney licensed to practice law in Kentucky.

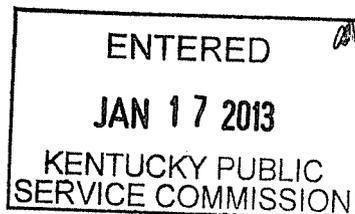

On January 2, 2013, Petitioner, through counsel, filed a Motion to Amend the Order entered December 13, 2012, and to change the Petitioner's status from an intervenor "with full rights of a party in this proceeding" to that of an "informal intervenor." As grounds for same, Petitioner states that its desire and intent in seeking to intervene in this action was to protect its interests, and to ensure that its voice was

heard by the Commission. Petitioner further states that it is "neither financially nor legally prepared to engage as a full party in this proceeding."

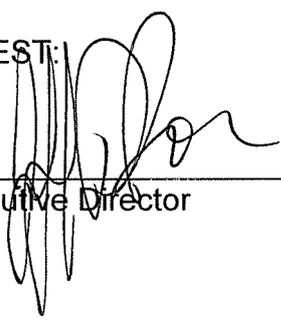

The Commission, having reviewed the motion and being otherwise sufficiently advised, finds that the Petitioner has shown good cause and that its motion to amend the Order of December 13, 2012 should be granted, and Petitioner's status of full intervention changed to limited intervention, pursuant to 807 KAR 5:001, Section 3(8).

IT IS THEREFORE ORDERED that the Petitioner is granted limited intervention.

By the Commission
