Re: Cunningham Water District ARF Rate Case No. 2011-00455

Dear Mr. Derouen,

The Public Service Commission issued a data request Order on February 21, 2012 in the above-referenced rate case, and required a response within 14 days (by March 6, 2012). Due to the length of the data request, the issues involved, and the workloads of the people involved in responding to this request, Cunningham is hereby requesting a two-week extension of time until March 20, 2012 to adequately respond to this request. If you have any questions, please contact me at (270) 562-0369.

Sincerely,

Dan Bowles, Chairman
Cunningham Water District
