COMMISSION STAFF'S SECOND INFORMATION REQUEST
TO DUKE ENERGY KENTUCKY, INC.

Duke Energy Kentucky, Inc. ("Duke Kentucky"), pursuant to 807 KAR 5:001, is to file with the Commission the original and six copies of the following information, with a copy to all parties of record. The information requested herein is due on or before February 17, 2012. Responses to requests for information shall be appropriately bound, tabbed and indexed. Each response shall include the name of the witness responsible for responding to the questions related to the information provided.

Each response shall be answered under oath or, for representatives of a public or private corporation or a partnership or association or a governmental agency, be accompanied by a signed certification of the preparer or the person supervising the preparation of the response on behalf of the entity that the response is true and accurate to the best of that person's knowledge, information, and belief formed after a reasonable inquiry.

Duke Kentucky shall make timely amendment to any prior response if it obtains information which indicates that the response was incorrect when made or, though correct when made, is now incorrect in any material respect. For any request to which Duke Kentucky fails or refuses to furnish all or part of the requested information, it shall

provide a written explanation of the specific grounds for its failure to completely and precisely respond.

Careful attention shall be given to copied material to ensure that it is legible. When the requested information has been previously provided in this proceeding in the requested format, reference may be made to the specific location of that information in responding to this request.

1. Refer to Duke Kentucky's response to Item 1 of Commission Staff's First Information Request. Explain whether the \$90,000 of Company Labor-Program Administration reflects new employee costs or whether these costs are included in electric base rates.

2. Explain whether the Residential Smart Saver program includes both electric and gas customers of Duke Kentucky.

3. Explain whether the Nonresidential Smart Saver Custom Energy Efficiency Program is for electric customers only. If the program is for electric customers only, include in the explanation whether or not gas customers could benefit from a similar program.
