AMENDMENT

The following is An Amendment to Case No. 2011-00507

Due to a clerical error we would like to change the name from KYTX Oil & Gas LLC to KYTX Pipeline LLC. Both companies are operating under the same roof. The gas production is actually owned by the pipeline company. This change will keep the paper work correct.

Information Requested

Item 1. All of the wells connected to our field gathering lines system (61 active wells)

Item 2. At this time we have one application, which is a commercial vender. His daily sales volume is estimated to be around 35 to 40 mcf.

Item 3. We our selling the gas to a commercial vender and is based upon the contract with the vendor.

Item 4. The cost for the \$10.00 minimum for residential and the \$60.00 minimum commercial: Residential- the time and expense to go to the location and read the meter, the commercial- there is a \$60.00 charge for the satellite communication. The \$10.00 a mcf is for the gas and to install and maintain the meter and pipeline. After surveying the companies in the area the \$10.00 a mcf is a competitive price. If required by the commercial vender, a small compressor maybe installed to deliver the daily sales volume for an additional compression fee of \$0.60/MCF
