ORDER

On March 7, 2014, the Commission issued an Order in this matter requiring Complainant, David Ballentine Bell, ("Complainant") to begin logging, for a period of 30 days, any service-related deficiencies and to submit the service log within 50 days of the date of the Order. On April 7, 2014, the Commission scheduled a hearing in this matter for August 14, 2014, and ordered the parties to submit witness lists and a summary of each witness's expected testimony no later than July 31, 2014.

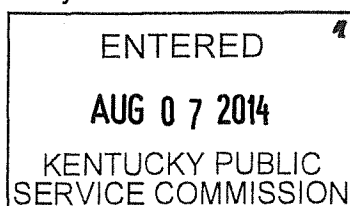

Complainant has not submitted a service deficiency log, a witness list, or summary of witness testimony. Accordingly, the Commission finds that Complainant should submit the previously ordered information no later than August 11, 2014. Should Complainant fail to submit the required information, the formal hearing scheduled for August 14, 2014, will be cancelled and the case will be submitted upon the existing record.

IT IS THEREFORE ORDERED as follows:

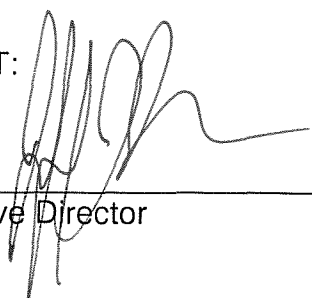

1. Complainant shall submit his service deficiency log, witness list, and testimony summary no later than August 11, 2014.

2. Failure to submit the required information by August 11, 2014, shall result in the August 14, 2014 hearing being cancelled and the case being submitted for decision based upon the existing record.
