RE: Case No. 2012-00008

Dear Mr. Derouen:

The Peaks Mill Water District has reviewed the Commission's staff report and is in agreement with the findings and recommendations contained therein. It is our understanding that commission staff will prepare the necessary paperwork to move the process along. Please advise what actions we will need to complete.

The only caveat is the Peaks Mill Water District has submitted the necessary paperwork to the Commission for a Purchased Water Adjustment for water from the Frankfort Plant Board. This will require recalculation of the final rate.

If additional information or actions are necessary from the Peaks Mill Water District, please let us know.

Sincerely,

Church Quarles  
Commissioner  
Peaks Mill Water District
