RE: Case No. 2012-00020
Case No. 2012-00044

Gentlemen:

On January 13, 2012, Madison County Utilities District ("Madison District") tendered an application for a certificate of public convenience and necessity for a water main replacement project and for authorization to enter a loan agreement with the Kentucky Infrastructure Authority.

On January 23, 2012, the Commission advised Madison District by letter that its application could not be accepted as it was not signed and filed by an attorney. The Commission recommended that Madison District retain an attorney and resubmit the application (without exhibits).

On February 8, 2012, Madison District resubmitted its application, but Commission Staff inadvertently docketed the resubmitted application as Case No. 2012-00044. Having discovered this error, Commission Staff has now filed the resubmitted application in the docket for Case No. 2012-00020. Please refer to Case No. 2012-00020 in any future correspondence or submissions related to this matter.

Direct any questions regarding this letter to my staff at 502-564-3940.

Sincerely,

A handwritten signature in black ink, appearing to read "Jeff Derouen".
