RE: Formal Application to Increase Rates Pursuant to
Purchased Water Adjustment Regulation 807 KAR 5:068

Dear Mr. Derouen

2012-00084

The North Shelby Water Company respectfully requests that the Commission allow for an adjustment to our rates in accordance with 807 KAR 5:068 Purchased Water Adjustment clause.

In accordance with the terms of a 2011 Joint Settlement Stipulation and Recommendation agreement between the Frankfort Electric & Water Plant Board and the North Shelby Water Company, effective April 1, 2011 the Frankfort Electric & Water Plant Board will implement a \$0.10 per 1000 gallon increase to our wholesale water purchase rates. The result of this increase is \$15,794.90 in additional yearly supply cost for the Company. This translates into \$0.04 per 1000 gallons of water sold to our customers. Therefore, we propose to increase our rates by that amount.

The following supporting documentation is enclosed for your review:

- Exhibit A – Purchase Water Rate Adjustment
- Exhibit B – 2011 Joint Settlement Stipulation and Recommendation and PSC approved Wholesale Tariffs
- Exhibit C – Statement of Water Purchased
- Exhibit D – Statement of Water Sold
- Exhibit E – Notice to Customers
- Exhibit F – Revised Tariff Sheet

The Notice to Customers will be published in accordance with Commission regulations and verification of its publication will be provided to the Commission.

Should you have any questions please contact Lee Mudd at (502) 839-1310, as he is handling this matter.

Sincerely,

Jerry Ruble, President
