To the members of the Kentucky Public Service Commission,

Referencing Case # 2012-00090

In the submission turned in to the commission from Henderson County Water District regarding Purchase Water Adjustment from the Henderson Water Utility, I incorrectly identified the period for which the adjustment was calculated. This period should have identified data from January 1st through December 31st, 2011. On the submission, I stated that the period was from April 1st, 2012 to March 31, 2013.

I also placed the adjustment for the South water plant in an incorrect box. The correct number is listed beside the correct box.

I hope this does not cause too many problems with the processing of our request. If I need to provide further updates, please contact me immediately at 270-826-9802.

Thank you for your assistance.
